HAMILTON MOVES - INTEGRATED TRANSPORT PLAN - HAVE YOUR SAY

Council is currently seeking feedback for a new transport network study, Hamilton Moves. Funded by the Department of Transport, the study will allow Council to assess local transport needs and help to inform future projects.

Residents can provide feedback on what would make travelling around Hamilton better. Would you ride into the CBD more if there were less trucks and more bike paths? Would you walk to work if there were better footpaths connections or maybe you avoid driving certain roads because they're too dangerous or congested at peak times – Council wants to hear from you.

To have your say, scan the QR code, or head to www.sthgrampians.vic.gov.au/haveyoursay to access the feedback platform. The platform is public, and will allow community members to make and contribute to comments overlaid on a digital map of Hamilton. Alternatively, feedback can be provided in-person at the Greater Hamilton Library.
