4 Con.	Councillor	<ul style="list-style-type: none"> • Question Shire paying for goal post @ Melville Oval • Report is silent on financial health of clubs/associations. Questions funding protocols of external funds. Suggests development of funding support matrix – considers paid v’s volunteer organisations. Suggests funding should be based on annual maintenance/ investment in infrastructure. • Questions Coleraine showgrounds COM to DELWP – is this an anomaly? • Reference to Coleraine Hockey – training in Turnbull Street – is this current or future – flood works and community planning – Statement • Inclusion of Koonongwootong Reserve as a recreation water body – fishing and swimming. • Rocklands Management Plan – agreement with listed action. • Planning Pg 8 Vol 4 – clarification if action occur before finalisation of strategy • Melville Oval Netball Pavilion – Questions why this is included as single use and hockey not. • PP – proposed extension of Ansett Pavilion is not a Hockey Pavilion. Questions capacity for viewing from this pavilion. • PP – MP does not include all weather roads, questions safety of parking and access of emergency services – suggestion on traffic flow, parking and management. • Coleraine planning recommendations to move location from flood plain but reinstatement works occurring • Hamilton Showgrounds MP – v 4 p9 Archery requirements should be considered as a part of MP process past & current. 		<p>Management. (Clarification to be provided in Service Review)</p> <ul style="list-style-type: none"> • Council Land Manager – requirement of ‘User Agreement’ to provide. • Beyond scope and purpose of the strategy. • No - Coleraine showgrounds COM direct to DELWP. • Reinstatement works will be conducted as per funding and insurance requirements. • Noted and amendment will be made. • Noted • Work to be undertake as action after adoption. • Regional Hierarchy classification and will be addressed by planning process for Melville Oval • Multi use pavilion for a number of users, viewing to be addressed through redesign. • Traffic design flow and parking will be finalised during schematic in consultation with Asset Management. • Coleraine strategic development will be subject to further growth and demand in the future. • Noted separate process conducted outside the strategy.

Number	Club/Association/Private	Summary Content	Strategy Reference	PCG notes/recommendation/impact on strategy
4 Cont	Councillor	<ul style="list-style-type: none"> Funding applications made to SRV – on PP pavilion (unsuccessful) are not within MP or advocacy priorities – how is this going to be resolved urgently and transparently? Lake Hamilton MP – excludes water/flora and fauna management. Works to island to extend rowing course- previously failed to flora/fauna concern – look at again? Cycling Strategy – should be included within this document. Gallery/Lake Hamilton investigation – impacts on current use and MP – delay adoption of MP until investigation conducted. 		<ul style="list-style-type: none"> Advocacy on Council priorities will be determined once Strategy adopted. Water, flora and fauna management – through State and Federal legislation. Noted to include investigation of extension to rowing course. Cycling and Active Transport Strategy to be prepared separately to this policy. Not supported as Master Plan can be amended if it is determined to progress with the Art Gallery at Lake
5	Mt Gambier Disc Golf Club	<ul style="list-style-type: none"> Encourages Shire to consider developing a top level DISC golf course. Attraction for golfers and events. Investigate in the Lake Hamilton area. \$22K investment in Mt Gambier (Frisbee competition) 	Vol 3 MP LH	<ul style="list-style-type: none"> Not supported as Disc Golf activity is planned to be installed at Patterson Park – as a part of its Master Planning process.
6	Coleraine Sports Ground Committee	<p>Silvester Oval</p> <ul style="list-style-type: none"> Clarification of why facility has been classified to Local when previously Regional (2006) Lighting to the 2 netball courts for training and increase use Lighting for training and hosting night games Netting behind goal posts Netting along creek – stop football New Pavilion – incorporate Universal Design Principles (inside & out), carpark etc. New roof to exiting pavilion (if stays) Solar power/power upgrade New scoreboard New oval fencing Unisex toilets/Umpires change 	Volume 1 pg 43, 46, , 50, 56 & 89	<ul style="list-style-type: none"> Coleraine does not meet the criteria set for a regional facility within this Strategy or the Great South Cost Strategy context – will not be revised. Noted items raised are a mixture of operational and require significant growth in demand for facilities, prior to commitment to further investment.

Number	Club/Association/Private	Summary Content	Strategy Reference	PCG notes/recommendation/impact on strategy
6.	Coleraine Sports Ground Committee	<ul style="list-style-type: none"> • New coaches box • Complete drainage for Queens Park to manage run off. <p>Turnbull Street Cricket</p> <ul style="list-style-type: none"> • To be a premier turf wicket • Build up surface level around the Western Side of the oval to create base for new Pavilion and raised spectator mounds. • Improved amenities • Secure storage. <p>Turnbull Street Tennis/Hockey Complex</p> <ul style="list-style-type: none"> • Full sized hockey pitch – but will accept 1/3 pitch as part as 4 court tennis courts (flood reinstatement) • Lighting to allow winter/night training • Upgrade building to have kitchen, meeting and amenities/change – Hockey & Tennis • Sheltered viewing • Secure storage • Tennis – synthetic surface, lights and fenced. • Netball lines on courts 	Volume 1 pg 43, 46, , 50, 56 & 89	
7.	Hockey Player	<ul style="list-style-type: none"> • Supports improved facilities to improve greater use of Lake Hamilton. Manage Algae growth to increase recreational usage. • PP Masterplan design provides amenities but lacks sheltered viewing. • Questions need for soccer to have own pavilion spectator and players less than hockey. • Hockey priorities (based on discussion with players/families) <ol style="list-style-type: none"> 1. Shelter from inclement weather for spectators 2. Safe and accessible amenities 3. Small kiosk • Space and facilities to promote social connection – multi use pavilion is a hijack of hockey pavilion concept. 	Vol 3. MP LH & PP	<ul style="list-style-type: none"> • Noted that current design does not provide sheltered viewing for Hockey - action – review design of Ansett pavilion. • Note the importance that a social space provides to Community. • Do not support a single use Pavilion for one club. • Pavilion 13 is not for Soccer alone it is a multi – use pavilion for soccer/ community and new users.

Number	Club/Association/Private	Summary Content	Strategy Reference	PCG notes/recommendation/impact on strategy
7. Cont.	Hockey Player	<ul style="list-style-type: none"> Proposed linkages, roads, paths, parking and play spaces good. Current openness of pavilion design a concern due to lack of shelter. 		
8.	Hockey – individual	<ul style="list-style-type: none"> Location of proposed building where second pitch location identified. No viewing or pavilion for Hockey Soccer yet to establish itself, why provide a pavilion until then. No inclusion of the proposed hockey/soccer pavilion Temporary shelter for hockey not on plan. Hockey Entry should remain on current side – security, control and cleanliness Proposal ignores the wishes of the Association – considering their \$100K ‘war chest’ A carpark next to the hockey field would be a good development 	Vol 3. MP PP	<ul style="list-style-type: none"> Additional pitch if required has be allocated within Pedrina Park, at item 19 (PP3). Pavilion 13 is not for Soccer alone it is a multi – use pavilion for soccer/ community and new users. Note Soccer has been identified as a growth sport and Hamilton identified as a regional centre by Football Victoria.
9.	Coleraine Hockey parent, player & coach	<ul style="list-style-type: none"> Please with proposed investment to improve PP and hockey facilities. Travel time and frequency a concern due to lack of facilities in Coleraine currently. Sheltered viewing area (improve existing design) Amenities – players, spectators – showers, change, breast feeding. Addresses safety concerns – watching within play area, cars and distance to toilet. 	Vol 3 PP MP	<ul style="list-style-type: none"> Coleraine practice facilities will be reinstated as a part of the Flood Recovery works. Noted that current design does not provide sheltered viewing for Hockey - action – review design of Ansett pavilion. Supports provision of amenities and improved path, parking and road improvements.
10.	PCG – Balmoral Rec Reserve	<ul style="list-style-type: none"> Agrees with content. Has Rocklands Reservoir been included as it is a tourism and recreation facility of state significance? 		<ul style="list-style-type: none"> Noted

Number	Club/Association/Private	Summary Content	Strategy Reference	PCG notes/recommendation/impact on strategy
11	Hockey	<ul style="list-style-type: none"> Proposed amenities still far from the access side to the pitch Does not agree with 2 separate pavilions for Hockey and Soccer Central location where BBQ area is for both sports. Enclosed viewing area essential – benefit for all ages. Provision of Parking in plan is good. 	Vol 3 PP MP	<ul style="list-style-type: none"> Note path and linkages critical to support access to proposed amenities Separate pavilions are to cater for location and future growth of use of Pedrina Park – as well as potential decommission of older buildings within the future. Note and agree the need to redesign to include enclosed viewing areas.
12	St Andrews Cricket Club	<ul style="list-style-type: none"> Potential to create a premier sporting hub Concern works will be substandard due to previous projects budget cuts. Watering irrigation of garden and playing surfaces. Roads around PP should be sealed. Paths should be connected and sealed. A new public toilet and demolish old unused toilets and buildings. Maintain existing users rights and access - subletting <p>Ovals</p> <ul style="list-style-type: none"> Scores facility and board to be reinstated at PP3 Add removal goal posts to PP3 Shade/Shelter @ PP3 Artificial Pitch cover for PP3 PP3 to be second field for football 10mm topsoil for PP3 PP2 Turf wicket rejuvenated PP2 new pitch covers Limit junior football on PP2 PP1 – new turf and level ground (run up) to make safe PP1 rejuvenation of surface Fence all grounds like Byaduk. 	Vol 3 PP MP	<ul style="list-style-type: none"> Noted development will improve park and potential future use. Roads/path construction within final design New public accessible toilets will be provided and old demolished. Pavilions will be shared use principle. Noted items raised are operational and subject to funding and demand for facilities.

Number	Club/Association/Private	Summary Content	Strategy Reference	PCG notes/recommendation/impact on strategy
12. cont.	St Andrew Cricket Club	<p>Buildings</p> <ul style="list-style-type: none"> Cricket Pavilion to be provided with Verandah with cement floor – connect 2 buildings as proposed. Relocation of tanks used for watering Curators shed – provision in MP New Cricket nets required – greater than 2. 		
13	Soccer Parent	<ul style="list-style-type: none"> Please that Soccer will be provided with facilities and amenities to support players, spectators and visiting teams. Paths to facilities essential Drainage of pitch – needs to be resolved (poor construction) 	Vol 3 PP MP	<ul style="list-style-type: none"> Noted Drainage improvements noted within Strategy.
14	Hamilton Aquatic Club	<ul style="list-style-type: none"> Members very supportive of planned improvements to lake and surrounds. Grass along lake edge still needs to be better managed (cut). Members increasing to almost 100. 	Vol 3 PP MP	<ul style="list-style-type: none"> Noted – operational matter/ equipment
15.	Hamilton Soccer Club	<ul style="list-style-type: none"> Drainage improvements to pitch essential effecting capacity. Believe MP will meet needs of growth Development of PP3 into multipurpose supported <p>Proposed Pavilion</p> <ul style="list-style-type: none"> Plans and siting suitable Vehicle access to pavilion for supplies etc First Aid room to be located closest to field. Location of pavilion between current pitch and PP3 may be more appropriate/serviceable Suggested 2 story development and benefits. <p>General</p> <ul style="list-style-type: none"> Locating more parking on western side of PP Road and turning circle (PP3) could be expanded to improve parking Directional signage improvements 	Vol 3 PP MP	<ul style="list-style-type: none"> Noted Agree that greater vehicle access to Pavilion required. Location of pavilion moved – not supported as it is to cater for growth in users and allow to be enlarged to cater for existing users once older buildings no longer sustainable to maintain. Design of pavilion can be reviewed to meet concerns during schematic Directions signage at Park will be improved. Future growth in Soccer noted and FV planned development in region.

Number	Club/Association/Private	Summary Content	Strategy Reference	PCG notes/recommendation/impact on strategy
15. con	Hamilton Soccer Club	<ul style="list-style-type: none"> Hamilton has been identified as a Soccer Centre by FV and SWVF, increase games and hosting competitions. Increase funding opportunities for funding with State and FV - \$500K Hamilton Soccer has been identified as a growth sport in the region. 		
16.	Hockey Parent	<ul style="list-style-type: none"> Important to have facilities suitable for all players Potential to increase use and host regional competitions if appropriate facilities provided. Shared facility is not preference, compromises needs of users. Location of proposed facility is not suitable for viewing. Structure needs to be closer and for hockey use only not shared. 	Vol 3 PP MP	<ul style="list-style-type: none"> Single use facilities is not supported Noted that current design does not provide sheltered viewing for Hockey - action – review design of Ansett pavilion. Pathway and connections to support access for all users of facilities.
17.	St Andrews Cricket Club Inc	<ul style="list-style-type: none"> Concerns of the standard and safety of the current cricket nets. Wish for SGSC to make nets upgrade a priority. High usage by multiple teams 	Vol 3 PP MP	<ul style="list-style-type: none"> Supported significant safety risk and benefit to upgrade nets to provide multi – user facility (used by cricket & hockey)
18.	Hamilton Netball Association	<ul style="list-style-type: none"> Supportive of the proposed netball court redevelopment. Further discussion on the MP with users once the formal submission period closes. 	Vol 3 PP MP	<ul style="list-style-type: none"> Acknowledged as current playing facility high risk due to non-compliance and below standard.
19.	Parkrun	<ul style="list-style-type: none"> 60-80 participants weekly 5km run – currently loop to gain the extra 800m required (concerns that if the run continues to growth – this solution may not work- safety) Ask to consider creating a new path around future activity zones 1 and 2 to manage growth? Benefits all abilities and ages. 	Vol 3 PP MP	<ul style="list-style-type: none"> Supported and recommend inclusion in Masterplan to improve facility and provide more riding/walking area in closer vicinity to the Lake’s Edge Playground. Note recommendation has added benefit of all ages/abilities.

Number	Club/Association/Private	Summary Content	Strategy Reference	PCG notes/recommendation/impact on strategy
20.	Resident	<ul style="list-style-type: none"> • Location of Ansett Pavilion and access from field – will access be altered to field to manage concern. • Covered shelter to be provided to hockey spectators. 	Vol 3 PP MP	<ul style="list-style-type: none"> • Noted that current design does not provide sheltered viewing for Hockey - action – review design of Ansett pavilion. • Pathway and connections to support access for all users of facilities.
21.	ALF – Country Western District	<ul style="list-style-type: none"> • Willingness for PP to be developed into a sporting precinct for many sports. • PP1 be upgraded to a synthetic playing surface. 	Vol 3 PP MP	<ul style="list-style-type: none"> • Noted and could be investigated in future in line with demand and funding.
22.	Resident	<ul style="list-style-type: none"> • Supportive of a dog park for Lake Hamilton – needed 	Vol 3 PP MP	<ul style="list-style-type: none"> • Noted and supported by Councillor Notice of Motion.
23.	Hamilton Running Club	<ul style="list-style-type: none"> • 75 Members expected to increase to 150 in 2019 • Notes Walking and Running top 1 and 3 recreation activities. <p>Vol 1</p> <ul style="list-style-type: none"> • Agree with recommendation to invest in paths for walking, cycling – supported by wider research & Shires MHWP. • Footpaths on both sides of streets in Hamilton – all age responsive • Systematic & proactive footpath repair • Improved street lighting • Reduces risk to Council, promotes environmental sustainability, all age and capacity responsive. <p>Lake Hamilton</p> <ul style="list-style-type: none"> • Lake’s Edge development supported. • Lake Hamilton on leash area • Lighting improve safety • Shade and shelter important • Ensure amenities to support activation • Cement Grill area around Lake Edge drinking fountain to prevent trip hazard 	Vol 1 Vol 3 PP MP LH MP	<ul style="list-style-type: none"> • Agree with the submission in relation to improve footpaths to support walking and running – this would be incorporated existing renewal and operational budget lines. • Lake Hamilton is already on-leash area under existing Local Law. • Lighting improvements limited by funding but can be improved in currently services areas.

Number	Club/Association/Private	Summary Content	Strategy Reference	PCG notes/recommendation/impact on strategy
23. con	Hamilton Running Club	<p>Pedrina Park</p> <ul style="list-style-type: none"> • Preference is for a synthetic track at Mitchell Park (- existing home of Little Athletics & now running group) – although appreciate provision at PP. <p>Synthetic Track</p> <ul style="list-style-type: none"> • Recreation use • Safer environment for Little Athletic Club • Schools use for competition • Inter school and regional use • Less maintenance (10 yr life) • Less injuries • Use by others for training 		<ul style="list-style-type: none"> • Strategy supports consolidation of facilities at Pedrina Park and decommissioning of Mitchell Park Facilities. • Current and future population trends do not currently support the investment of the installation of a synthetic track.
24.	Monivae College	<ul style="list-style-type: none"> • Omitted from community engagement process – (not correct invited but had not provided update contact details for relevant staff/also being trying to obtain contact through User Group.) • Access to stored water craft and transport to lake is through the proposed outdoor social area (North side Pavilion access) • Preference is for access to be suitable and not hindered. • Relocate the social area to area between boat ramp and amenity block. 	Vol 3 LH MP	<ul style="list-style-type: none"> • Invitation to participate in survey and engagement was sent to provided contact, which was outdated and not updated to Shire. • Support the relocation of the social area to allow access . • Support shifting existing furniture to support better access,

Number	Club/Association/Private	Summary Content	Strategy Reference	PCG notes/recommendation/impact on strategy
25.	Glenelg Hopkins CMA	<p>Vol 1</p> <ul style="list-style-type: none"> Concern that the plan does not place enough emphasis on cycle and walking paths given top activity identification. Opportunity to improve Grange Burn walking track and wetlands. Improving or constructing paths in areas/reserves needs to be matched with land management – to make attractive/safe. Intergraded water management through Great South Coast Integrated Water Management Forum – management of resource, environment and maximise recreational use. 	Vol 1	<ul style="list-style-type: none"> Noted Further opportunity and investment to be identified in a Cycling and Active Transport Strategy, which will be developed by the Shire. Noted that parks and reserves need to also be managed to ensure attractive to people to use.
26.	Resident - Park Run/ PP	<p>Lake Hamilton</p> <ul style="list-style-type: none"> Reduce risk that existing loop is creating by extending track to 5KM Repair track Art Gallery development – should not impact in the 'lap/walking path' <p>Pedrina Park</p> <ul style="list-style-type: none"> Space to the West of current hockey/soccer was for future oval. Placement of pavilion on this space is short sighted, should be located in areas not suitable for play. Shared facility on Eastside if fields. Importance of maintaining Hockey pitch. Land scaping around pitches concern of impact. Notes poor construction of soccer pitch due to budget cuts 	Vol 3 LH MP PP MP	<ul style="list-style-type: none"> Noted and support increase of track to 5km to support Park run. Noted and support repair of existing track. Noted manage future development to avoid impact on passive use of lake. Additional pitch if required has be allocated within Pedrina Park, at item 19 (PP3). Location of Pavilions to support shared use for all and new and potential users of Pedrina Park. Comments regarding landscaping noted and agreed. Noted construction of soccer pitch has caused drainage issues.

<i>Number</i>	<i>Club/Association/Private</i>	<i>Summary Content</i>	<i>Strategy Reference</i>	<i>PCG notes/recommendation/impact on strategy</i>
27.	Glenelg Regional Hockey Association	<ul style="list-style-type: none"> Strongly opposes draft MP as it does not encapsulate a true multipurpose facility for community. Claim not consulted Claim largest user of PP Claim not building on opportunity to be sporting hub and regional facility Suggest one large Pavilion – with amenities, viewing, storage, function & kiosk to be constructed to view Netball, Hockey and Ovals. Pavilion be 2 storey to increase viewing and social opportunities. Potential to use netball courts – multi – use. 3 Buildings in draft is not supportive of multi-use funding guidelines or current strategic direction – (number of buildings not reflective of the strategies proposed shared use). Believe there is need to provide a space for a second hockey pitch. Note letter of support from Hockey Vic – for Clubrooms and second pitch 	Vol 3 PP MP	<ul style="list-style-type: none"> Noted that current design does not provide sheltered viewing for Hockey - action – review design of Ansett pavilion. Do not support the claim that Pavilion 13 is required as it is important to provide amenities, services and facilities to soccer, athletics and new community users, as well as have the capacity to grow to house other user groups when existing buildings reach end of life. Additional pitch is provided item 19 (PP3) to support future growth. Additional synthetic pitch is already located at Hamilton and Alexander College which is currently used by Association – suggest assistance to facilitate user agreement if required. Clarification to be sought from Hockey Victoria – letter Association was invited to participate in consultation via email on a number of occasions to the contact nominated by the club – past president/ updated details not supplied to SGSC. Association also shared post on their Facebook page advising of strategy consultation process. Association completed club survey. Participation of community in hockey is noted and not disputed but data does not support that it is within the top 10 activities for participation for the Southern Grampians Shire.

Number	Club/Association/Private	Summary Content	Strategy Reference	PCG notes/recommendation/impact on strategy
28.	Individual	<ul style="list-style-type: none"> • Criticism that focus of development at Pedrina Park is focused on one Association – Hockey. • Importance of Park at a local level at grassroots and participation for all. • Suggest that the Hockey Association may be located elsewhere than Pedrina Park to allow for all their needs to be met. 	Vol 3 PP MP	<ul style="list-style-type: none"> • Concerns noted
