Directorate: Evelyn Arnold, Director Community and Corporate Services
Author: Karly Saunders, Governance Coordinator
Attachments: 1. Précis of Committees
2. MEMPC Terms of Reference

Executive Summary

Each year the Southern Grampians Shire Council is represented on a range of committees by its Councillors.

A review of the list of committees which require a Councillor to act as a formal representative of Council has been completed. This Report recommends that Councillors be appointed as representatives of Council to 10 committees.

Discussion

It is recommended that Councillor/s be appointed as representative/s of Council to the following committees:

- Audit and Risk Committee
- Planning Committee
- Hamilton Regional Livestock Exchange Committee
- CEO Employment and Remuneration Committee
- MAV Delegate
- Great South Coast Group
- Rural Councils Victoria
- Barwon South West Waste Forum
- Green Triangle Action Group
- Alliance of Council for Rail Freight Development

For detailed information about the recommendation, purpose and membership of all the committees please see the attached Précis of Committees.

The Municipal Emergency Management Planning Committee (MEMPC) has previously been a Committee with Councillor representation.

The *Emergency Management Act 2013* has been amended and from 1 December 2020, the legislation shifts responsibility for municipal emergency management planning from the council to the reformed, multi-agency MEMPC - the peak emergency management planning body in the municipal district. This shift of responsibility highlights the intent of the reform which supports emergency management planning as an integrated, multi-agency and collaborative effort.

As a result of this, Council is required to disestablish the existing MEMPC in recognition that the section of the Act the Committee was established under, will be repealed from 1 December 2020 and establish the new MEMPC, this ensures the MEMPC is established in

accordance with the legislation, including recognising that the MEMPC promotes shared responsibility for planning by requiring relevant agencies to participate in the planning process, and that the MEMPC reports directly to the Regional Emergency Management Planning Committee, not to council.

The Emergency Management Legislation Amendment Act (EMLA Act) sets out a legislated core membership for MEMPCs.

The EMLA Act also requires a MEMPC to invite at least one community representative, it is proposed that a Councillor be the initial community representative.

Legislation, Council Plan and Policy Impacts

Council Plan Objective 5.1 – Provide transparent and responsible governance.

Council Plan Objective 5.2 – Effective advocacy

Section 53 of the Local Government Act 2020 which requires Council to establish an Audit and Risk committee.

All Council Officers involved in the development and advice provided in this Report affirm that no general or material interests need to be declared in relation to any matters in this Report.

RECOMMENDATION

That Council:

1. Authorises the disestablishment of the existing Municipal Emergency Management Planning Committee (MEMPC) established under s21(3)-(5) of the *Emergency Management Act 1986*, in recognition that on 1 December these provisions are repealed by s82(2) of the *Emergency Management Legislation Amendment Act 2018* and replaced by the provisions of s68 of the *Emergency Management Legislation Amendment Act 2018*.
2. Authorises the CEO to facilitate the establishment of the MEMPC in accordance with the provisions of s68 of the *Emergency Management Legislation Amendment Act 2018* (which inserts a new 'Part 6-Municipal Emergency Management Planning Committees' into the *Emergency Management Act 2013* on 1 December 2020).
3. Notes that, under the MEMPC Terms of Reference provided and the *Emergency Management Legislation Amendment Act 2018* (which inserts s59 and 59F into the *Emergency Management Act 2013* on 1 December 2020), council's role is to establish the committee.
