Executive Summary

The Draft Budget for 2018/19 and Strategic Resource Plan 2018/19 to 2021/22 have generally been prepared in the form of the model budget template recommended as the best practice for reporting local government budgets in Victoria. The reports contain the statutory information required under the Local Government Act 1989 and the associated Regulations. The draft Annual Budget has been developed within the overall planning framework, which guides the Council in identifying community needs and aspirations over the medium to long term (Council Plan) and short term (Annual Budget) objectives, strategies, initiatives, activities and resource requirements.

Discussion

The Draft Budget for 2018/19 has been prepared under the provisions of the Local Government Act 1989 and in accordance with the associated Regulations and the relevant International and Australian Accounting Standards. The budget document contains:

- Overview and Budget Highlights
- Analysis of operating and capital budgets, cash position, budget financial position and rating structure
- Standard Income Statement, Balance Sheet, Cash Flow Statement, Capital Works Statement and a Summary of Rates and Charges

The Draft 2018/19 Budget presented in the report has been developed through a process of consultation and review with Council and Council officers.

The Draft 2018/19 Operating Budget forecasts an operating surplus of \$13.839 million and Council anticipates to hold \$7.451 million cash at 30 June 2019.

The Draft Budget provides for capital expenditure in 2018/19 of \$32.946 million comprising which includes flood restoration works of \$15.682 million.

The Draft Budget proposes an increase in the general rate of 2.25% for the year. This rate cap has been set at 2.25% by the Minister for Local Government.

The municipal charge will increase from \$192 to \$195 (this is a 1.6% increase bringing the total collected to 10% of rate revenue)

General rates and municipal charges are levied in accordance with Council's Rating Strategy Policy.

The service charge will increase from \$257 to \$263 for all improved residential properties in the Hamilton, Balmoral, Branxholme, Byaduk, Byaduk North, Cavendish, Coleraine, Dunkeld, Glenthompson, Penshurst and Tarrington urban areas and "refuse collection areas" for the collection and disposal of refuse and recycling.

An elective organic waste collection and disposal service is available for improved residential properties in the Hamilton and Tarrington urban areas. The service charge for this service will increase from \$93 to \$95.

The garbage collection and disposal service will again only be provided to commercial and industrial properties within the Shire on request.

It is not proposed to borrow funds in 2018/19 year.

It is proposed to continue to offer as an incentive for prompt payment, a discount of two per cent in accordance with Section 168 of the Local Government Act 1989 where all four instalments of rates and charges declared for the current year (less the discount) are paid on or before 30 September, excluding any arrears of rates and charges outstanding from previous years.

The Pricing Register has been amended to include:

- Motion of Council on 9 May 2018 with regard to family day care fees,
- Minor fee changes in the library schedule,
- Statutory fees relating to penalty units in the planning schedule,
- Animal registration concession amounts, and

Legislation, Council Plan and Policy Impacts

The 2018/19 Annual Budget includes the key activities and initiatives to be funded that will contribute to achieving the strategic objectives specified in the Council Plan 2017-2021. The Strategic Resource Plan looks at financial assumptions over the medium to longer term required to implement the Council Plan.

The Council Plan establishes that we will:

- Support our Community
- Develop our Regional Economy and Businesses
- Plan for our Built Environment
- Promote our Natural Environment, and
- Provide Governance and Leadership

Risk Management

In developing the Draft Budget and Draft Strategic Resource Plan, Council considers relevant financial risks to ensure it can achieve its Council Plan objectives within a longer term prudent financial framework.

Environmental and Sustainability Considerations

The Annual Budget provides the funding for the Council to undertake its social, economic and environmental initiatives outlined in the Council Plan 2017-2021.

Community Consultation and Communication
