BRANXHOLME PUBLIC HALL RESERVE

At the request of the Department of Environment, Land, Water and Planning, a public meeting will be held at the Branxholme Public Hall Reserve on **Monday 11 October 2021 at 7.30pm**.

The purpose of this meeting is to receive nominations from not less than three or more than nine persons for appointment of a Committee of Management for the Branxholme Public Hall Reserve Committee for the next three year period.

LAKE HAMILTON AMENITIES BLOCK

Council advises residents and visitors that works have recommenced to redevelop the accessible facilities at the Lake Hamilton Boat Ramp Amenities Block. In order to include both a male and female DDS compliant toilet facility, the old structure will now be removed.

While these important works are carried out, there will be no access to the disabled toilet and there will be some minor disruptions to the nearby disabled car park.

The nearby recently refurbished male and female amenities block will remain open for community members to use during this time.
