WHAT WE'RE ABOUT

YUMCHA Hamilton is youth led and facilitated by Southern Grampians Shire Council, Brophy and headspace Hamilton.

The group offers a welcoming and social space for young people to hang out, feel safe and connected, and empower their sense of self identity.

It's a space for all young people who either identify or support the LGBTQIA+ community.

YUMCHA meets regularly and everyone is welcome.
We host two groups which meet centrally in Hamilton.
A group for those aged 12-17yo
A group for those aged 18-25yo

Diversity enriches community life. By celebrating our differences and promoting acceptance and inclusion we are creating a stronger community for everyone
