10. Management Reports

10.1 Revenue & Rating Plan

Directorate: Peter Brown, Acting Director People & Performance
Author: Natalie Martin, Revenue Coordinator
Attachments: Revenue & Rating Plan

Executive Summary

Council has prepared the Revenue and Rating Plan to ensure compliance with the Local Government Act 2020 and supporting regulations.

The Revenue and Rating Plan 2021/22 – 2024/25 is a key document to determine the most appropriate and affordable revenue and rating approach for Southern Grampians Shire Council which, in conjunction with other income sources, will adequately finance the strategic objectives described in the Council Plan.

This plan is an important part of Council's integrated strategic planning and reporting framework, all of which is created to help Council achieve its vision of Council being recognised as a well-connected, dynamic Regional Centre, supporting a vibrant, healthy and inclusive community.

Discussion

The Revenue and Rating Plan 2021/22 – 2024/25 was previously adopted by Council on 23 June 2021 for a one-year period only with subsequent adoption on 8 December 2021 for the 2022/23 financial year. The agreement was reached that it would be returned to Council for further review prior to the 2023/24 financial year.

It is proposed to continue the current rating plan for the remainder of the Plan term to 2024/25 and implement for the 2023/24 and 2024/25 Financial years.

Financial and Resource Implications

The plan explains how Council calculates the revenue needed to fund its activities, and how the funding burden will be apportioned between ratepayers and other users of Council facilities and services.

This plan does not set revenue targets for Council, it outlines the strategic framework and decisions that inform how Council will go about calculating and collecting its revenue.

Legislation, Council Plan and Policy Impacts

Strategies outlined in this plan align with the objectives contained in the current Council Plan and will feed into budgeting and long-term financial planning documents, as well as other strategic planning documents under Council's strategic planning framework.

Risk Management

In developing the Revenue and Rating Plan, Council considers relevant financial risks to ensure it can achieve its Council Plan objectives within a longer term prudent financial framework.

Environmental and Sustainability Considerations

Whilst the Revenue and Rating Plan does not have specific sections on environmental matters, financial sustainability and social impacts are considered in the broader strategic planning framework.

Community Consultation and Communication

This Revenue and Rating Plan has been prepared in consultation with Councillors through the analysis of assorted options to arrive at the document presented here. The preparation of the initial document which was adopted on 23 June 2021, was subject to community engagement.

Disclosure of Interests

All Council Officers involved in the development and advice provided in this Report affirm that no direct or indirect interests need to be declared in relation to any matters in this Report.

RECOMMENDATION

That the Revenue & Rating Plan be adopted for the remainder of the Plan term to 2024/25 and returned to Council for further review prior to the commencement of the next four-year cycle beginning 2025/26.

Specific risk assessments are undertaken for each project within the capital program through both the planning and implementation stages. As a part of the overall risk mitigation across Council's capital program, implementation of a Project Management Office (PMO) has now occurred, full staff recruitment is still underway. This operational change will in the long terms result in improvements to the planning, development and implementation of the capital works program, as the PMO only became active as of September 2022, the main planning improvement will begin with the development of the new budget.

Currently five major contracts have been awarded, which equates to approximately \$5.7M within the program. A significant number of smaller quote based contracts have already been awarded and many others are progressing towards award.

Author: Peter Brown, Acting People & Performance
Attachments: None

Executive Summary

Council's Audit and Risk Committee is established in accordance with section 53 of the Local Government Act 2020. Membership comprises three independent members and two Councillors.

The tenure of two independent members, current Chair Mr Brian Densem and member Mr Mick Murphy, expires in March 2023. Following an advertised Expression of Interest process it is recommended that Council re-appoint Mr Brian Densem as an independent member and Chairperson for the Audit and Risk Committee for a term of two years, expiring on 12 March 2025 and appoint Mr Bill Millard as an independent member for a period of three years expiring 12 March 2026.

In accordance with the Committee Charter the appointment of the Committee Chair and independent members must be by resolution of council.

Discussion

The tenure of two Committee independent members expires in March 2023. One member is retiring from the Committee whilst the other member has served multiple terms and council is therefore required to undertake public advertisement to fill the role.

The Audit & Risk Committee Charter states that the Chairperson and independent members of the Committee must be appointed by Council resolution.

Below is an overview of the current membership:

Member	Tenures	Action
Mr Mick Murphy	Expiring 13 March 2023	Not seeking reappointment after multiple terms
Mr Brian Densem - Chair	Expiring 12 March 2023	Re-appoint as chairperson for a further 2 years.
Ms Aisling Cunningham	Expiring 9 September 2023	No action required.

Following an advertised expression of interest process three nominations have been received, and following an evaluation and interview process the following two nominees are recommended for appointment:

- Mr Brian Densem
- Mr Bill Millard

Mr Densem has been an independent member since 2016 and has been the Committee Chair since 2021. Mr Densem has extensive experience as a professional audit practitioner and serves on multiple Audit and Risk Committees. Mr Densem has indicated a willingness to continue as the Committee Chair for a further period of 2 years and this is recommended to council.

Mr Millard has spent the majority of his professional career working in local government including roles as Director and Chief Executive Officer. He has served as an officer on Council Audit and Risk Committees and sat on such Committees as an external member.

With broad and extensive Local Government expertise it is suggested that Mr Millard would be most suited to the independent member vacancy.

It is also timely to recognise the significant contribution that Mr Murphy has made to the Committee over the last seven (7) years, as both an independent member and Chair. His knowledge and expertise provided valuable input into shaping the workplan and role of the Committee.

The terms of the proposed appointments will provide a staggered period of service thereby providing continuity for the composition of the independent members of the committee.

Financial and Resource Implications

Independent Committee Members are paid a meeting allowance which is included in Council's annual budget.

Legislation, Council Plan and Policy Impacts

Section 53 of the Local Government Act 2020 ("the Act") states that Council must establish an Audit and Risk Committee.

The appointment of independent members and the Committee Chair must be by resolution of Council.

Risk Management

The primary objective of the Audit & Risk Committee is to assist Council in the effective conduct of its responsibilities for financial reporting, management of risk, maintaining a reliable system of internal controls and compliance and facilitating the organisation's governance development.

In achieving its primary objective, the Committee in turn ensures that Council achieves its social, economic and environmental objectives in a fair, transparent and open manner.

Environmental and Sustainability Considerations

There are no environmental or sustainability implications resulting from the recommendation in this report.

Community Consultation and Communication

The vacant positions were advertised publicly via an expression of interest process.

Disclosure of Interests

All Council Officers involved in the development and advice provided in this Report affirm that no direct or indirect interests need to be declared in relation to any matters in this Report.

RECOMMENDATION

That Council:

1. Appoint Mr Brian Densem as an independent member and Chairperson of the Audit & Risk Committee for a term of two years concluding on 12 March 2025: and
2. Appoint Mr Bill Millard as an independent member of the Audit & Risk Committee for a term of 3 years concluding 12 March 2026.

10.8 Review of s11A Instrument of Appointment and Authorisation

Directorate: Tony Doyle, Office of the CEO
Author: Karly Saunders, Governance Coordinator
Attachments: s11A Instrument of Appointment and Authorisation

Executive Summary

Council appoints many powers to its staff through instruments of delegation and authorisation.

The s11A Instrument of Appointment and Authorisation appoints Council staff to be authorised under the *Planning and Environment Act 1987* and allows them to fully discharge their duties and responsibilities under that Act.

The s11A Instrument of Appointment and Authorisation has been updated to reflect recent staffing changes and is attached for Council consideration.

Discussion

The Act, and a variety of other legislation, makes express provision for the appointment of delegates to act on behalf of Councils and delegation of powers is essential to enable day to day decisions to be made and for the effective operation of the organisation.

The Instruments of Delegation and Appointment and Authorisation are prepared for Council by Maddocks Lawyers.

S11A Instrument of Appointment and Authorisation

The s11A Instrument of Appointment and Authorisation:

- Appoints the officers to be authorised officers for the purposes of the *Planning and Environment Act 1987* and the regulations made under that Act; and
- Authorises the officers to institute proceedings for offences against the *Planning and Environment Act 1987* and the regulations made under that Act.

The previous Authorisation needs to be revoked due to some of the staff listed in the Instrument no longer working for Council.

As with the delegations under the *Planning and Environment Act 1987* these appointments and authorisations must be made by Council and are not delegated by the CEO.

It is recommended that Council adopts the s11A Instrument of Appointment and Authorisation.

Financial and Resource Implications

Council subscribes to the Delegations and Authorisations service provided by Maddocks Lawyers, the cost of which is provided for in Council's budget.

There are no other financial implications in reviewing the Instruments of Delegation.

Legislation, Council Plan and Policy Impacts

Objective 5.1 – Provide transparent and responsible governance.

Risk Management

The use of the Maddocks service alleviates the potential risk of staff not being appropriately authorised in the exercise of various powers and fractions. The updates are done regularly and capture any legislative changes. The service is available to all Victorian Councils which enables consistency

Environmental and Sustainability Considerations

Many of the activities undertaken by staff on behalf of Council have social, economic, or environmental effects, including many of the powers included in the instruments of delegation. The Instruments of Delegation ensure that the decisions are made by the most appropriate person or persons with the organisation.

Community Consultation and Communication

There is no requirement for community consultation in relation to the review of the Instrument.

Affected staff will be provided with confirmation of the amendments to the Instrument.

Disclosure of Interests

All Council Officers involved in the development and advice provided in this Report affirm that no general or material interests need to be declared in relation to any matters in this Report.

RECOMMENDATION

In the exercise of the powers conferred by the legislation referred to in the attached instrument, Council resolves that:

1. Council adopt the attached s11A Instrument of Appointment and Authorisation for the members of Council staff set out in the instrument.
2. The s11A Instrument of Appointment and Authorisation comes into force immediately the common seal of Council is affixed to the instrument and remains in force until Council determines to vary or revoke it, and on coming into force all previous s11A instruments are revoked.

Executive Summary

The Hamilton Regional Livestock Exchange Advisory Committee (HRLXAC) meeting reports from the meetings held on 9 December 2022 and 23 January 2023 are presented to Council for information.

Discussion

The HRLXAC held their final meeting for 2022 on 9 December 2022 and reconvened on 23 January 2023.

With the Council adoption of the 2022 Hamilton Regional Livestock Exchange (HRLX) Strategic Vision as developed by the HRLX Advisory Committee (HRLXAC) on 10 November 2022, the HRLXAC has continued progressing the actions from this plan.

The strategic vision outlines HRLX to:

- Operate as a commercial enterprise.
- Build on its position as the premier sheep market sales facility in Western Victoria;
- Consolidate and expand its position as a cattle market;
- Be a best practice facility encompassing environmental, biosecurity, and compliance requirements;
- Continue to contribute to the social and economic fabric of the Greater Hamilton region.

Council also resolved to develop a five-year business plan for the facility, continue to progress the review of fees and charges as a priority, allocate funding to complete essential biosecurity works specifically security gates, and to consider a budget allocation within the 2023/24 budget to undertake renewal of the outdoor unpaved cattle yards subject to budget and business case.

At the 9 December 2022 meeting the HRLXAC reviewed the annual HRLX fees and charges in preparation for the 2023/2024 Council Budget process. The draft HRLX fees will be published as a part of Council's annual budget process for community review and input.
